

REGISTRATION

Use this brochure to register

Contact The Queen's Medical Center,
Clinical Education Department
E-mail requests to cpr@queens.org
or call 691-4731.

Your appointment will be confirmed **upon receipt of payment.**

FEES

\$60 per person to test for BLS
\$40 for QHS employee

Testing for BLS certification is combined with Heartcode PALS or Heartcode ACLS testing sessions (additional fees required). See separate brochures for Heartcode ACLS and Heartcode PALS.

Special sessions for groups of 4 combined with Heartcode PALS or ACLS can be arranged for mornings, evenings or W/E

Return the completed registration form with payment to:

*Clinical Education
The Queen's Medical Center
1301 Punchbowl Street
Honolulu, HI 96813
Ph 691-4731
Fax 691-7763 (Secured)
E-mail: cpr@queens.org*

REFUND POLICY

NO REFUNDS once scheduled
An additional \$30 processing fee will need to be paid for requests to transfer to a different session on a different day if notice is given less than 72 hours in advance.
Substitutions are allowed.

LOCATION:

The Education & Development Classrooms are located in UH Tower, second floor. Maps can be provided with confirmation notice.

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the Association.

BLS HEALTHCARE PROVIDER ONLINE RENEWAL COURSE

HeartCode® BLS is an official, self-directed, comprehensive eLearning program from the American Heart Association (AHA). This program uses eSimulation technology to present realistic patient scenarios. Students are presented with 5 BLS cases and an online multiple-choice written exam. While interacting with the program, students assess each patient, formulate a treatment plan based on 2015 BLS guidelines, and provide treatment. *

Successful completion of Part 1, the and Parts 2 and 3, skills practice and testing with an AHA BLS Instructor are the requirements for obtaining an AHA BLS Healthcare Provider course completion card.

Heartcode® BLS includes three course parts :

- 1.Part 1, online cognitive portion of HeartCode® BLS
- 2.Part 2, a hands-on skills practice session with an authorized AHA BLS Instructor
- 3.Part 3, a skills testing where the student must demonstrate proficiency in providing BLS skills, including prioritizing chest compressions and integrating AED use

Please note:

QMC offers the Heartcode course option ONLY to students who are recertifying. We recommend that students taking BLS/HCP for the first time enroll in an instructor-led classroom-based BLS course.
