- ♥ \$30 processing fee for rescheduling
- ♥ No refunds for no shows

Registration:

Open enrollment is on a first come, first served basis, upon receipt of payment. Class size is limited.

Confirmation will be e-mailed before class.

For further information, please e-mail cpr@queens.org or contact The Queen's Medical Center, Clinical Education Department at 691-4731.

Location:

All classes are held on The Queen's Medical Center campus. Location and maps will be provided with your course materials.

Learning Objectives:

Upon completion of this course, participants will be able to:

1. Recognize and initiate treatment for peri-arrest conditions that result in cardiac arrest or complicated resuscitation outcomes.
2. Demonstrate proficiency in providing BLS care, including prioritizing chest compressions and integrating AED use.
3. Manage cardiac arrest until the return of spontaneous circulation, transfer of care, or termination of resuscitation.
4. Demonstrate effective communication as a member or leader of a resuscitation team and recognize the impact of team dynamics on overall team performance.

Continuing Education Credit:

The Queen's Medical Center designates this live activity for a maximum of (see below) *AMA PRA Category 1 Credits™*:

- 11.25 - Advanced Cardiac Life Support - Provider Course
- 7.0 - Advanced Cardiac Life Support - Update Course

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the Association.

Course Description:

The Advanced Cardiac Life Support is a course from American Heart Association. This course is designed to review, organize and prioritize the skills and didactic information needed to handle events leading to a cardiac arrest and events that follow a cardiac arrest.

Course Prerequisites:

- ♥ Current certification in Basic Life Support for Healthcare Providers (BLS-HCP card).
- ♥ All ACLS participants are required to be proficient in Basic Life Support for Healthcare Providers skills (BLS-HCP). You will be asked to demonstrate those skills to successfully complete the ACLS course.
- ♥ Knowledge of cardiac arrhythmias and ability to recognize arrhythmias.
- ♥ Cardiovascular pharmacology; mechanism of action, indications, dosage and precautions for emergency medications.

NOTE: Printed score sheets for the web-based ACLS Self-Assessment must be turned in at the beginning of class. (Overall score must reflect 80% or higher)

Classes:

Provider Class:

This is 12 hr course with a full day session on the first day, and ½ day session on the second day which includes lectures and skills stations covering the management of patients with these conditions: Ventricular Tachycardia, Ventricular Fibrillation, Pulseless Electrical Activity, Bradycardia, Asystole, Acute Coronary Syndrome, Stroke and Respiratory Failure.

This class is for first time students, students who want an in-depth review and more practice time or students who have expired ACLS certification.

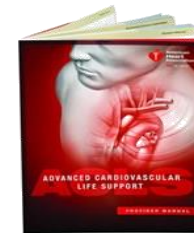

Update Class:

This is a one day renewal designed to accommodate experienced professionals who are self-directed to review the ACLS protocols on their own and need less practice time to test.

Renewal students must have a current ACLS card. If you took your ACLS course more than 24 months ago, you are advised to take the Provider course or Heartcode ACLS

Course Materials:

AHA requires that all students have the current ACLS Provider Manual. You MUST BRING YOUR 2015 Provider Manual to class.

Course Director:

Sharon Keith, RN, BSN, MPH, ACLS/I
The Queen's Medical Center
QMC AHA Training Center Coordinator

Seating is limited. Payment must be received with registration; no show=no refund; No POs.

***PLEASE CONTACT THE CLINICAL EDUCATION OFFICE FOR CLASS AVAILABILITY PRIOR TO SUBMITTING FORM / PAYMENT.**
